

Sports Premium Funding Impact

Notley Green Primary School 2017/2018

In April 2013, the Department for Education, Health and Culture, Media and Sport announced new funding of £150 million to support the delivery of PE and school sport. Funding is being allocated to all state-maintained secondary, primary, middle and special schools (including non-maintained special schools), academies and pupil referral units with primary aged pupils. This funding is ring-fenced and therefore can only be spent on provision of P.E. and sport in schools.
