

Sports Premium

The government has continued its pledge to provide Sports Premium Funding to schools for the next academic year. The money must be used to improve the provision of PE and school sport to enable high quality, sustainable provision and greater participation by children.

PE and school sport play a very important part in the life of Notley Green Primary School. We believe that PE and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our core values. We are therefore delighted to be able to use the approximate £10,000 sport premium funding to support the development of P.E. and school sport in the following ways:

- Training to continue to develop our sports coach to ensure staff are delivering high level sports sessions during curriculum time as well as raising the profile of competitive sport throughout the school community.
- To make links with sports clubs in the community and other school stakeholders.
- Continue to subscribe to the local sports 'hub' and district sporting leagues which will enable more children to take part in inter-school sporting activities using the funding to pay for transport to these events.
- 'Bike Ability' cycling proficiency training course for year 6.
- A Healthy Living Week which will include local sports providers at the school to demonstrate a variety of sports to encourage participation beyond school hours and select potential new sports/activities to introduce to the curriculum.
- The continued development of a wide range of extra-curricular sport activities.
- Revisit training for sports assistant and lead MDA to ensure 'play leader' training has been effective and that the current Year 5 are added to the programme.
- Complete a resources audit and purchase necessary equipment for new or existing sports.
- Research and purchase of an effective school wide scheme of work to support staff in developing their PE provision.
- Attendance of the PE Leader in appropriate PE training which is then disseminated to school staff through planned PDMs.
- Hire of transport to ensure that pupils are able to attend and compete in a range of sports competitions in the district and across the county.

Our overall aim is to raise standards in PE and school sport increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.

Sports Coach – Lindsey Cowell

Sports Assistant – Carene Heckroodt

Subject Leader – Jade Bowman

Impact of Sports Premium Funding 2015-16

The impact of the approximate £10000 sport premium funding to support the development of P.E. and school sport in 2015-16 was:

- Continued development of a specialist Sports Coach who has delivered high quality PE & Sports lessons during curriculum time and coordinated competitive sport within and across schools.
- Quality assured professional development opportunities for teachers enabling quality teaching and learning for all children through a training partnership with a specialist PE Consultant. This included devising ways to assess and measure the achievement of children in PE and the development of high quality planning for PE that encourages continuous activity throughout PE sessions and the development of progressive skills
- Continued subscription to the local sports 'hub' and district sporting leagues which has enabled more children to take part in inter-school sporting activities.
- Focused team activities at lunchtime through the provision of a Sport Assistant and training of MDA's to facilitate additional activity based play.
- 'Bike Ability' cycling proficiency training course for year 6.
- The development of a wide range of extra -curricular sport activities.
- A Healthy Living Week which included local sports providers at the school to demonstrate a variety of sports to encourage participation beyond school hours and select potential new sports/activities to introduce to the curriculum.
- Training for a sports assistant and lead MDA to deliver 'play leader' training to year 5 and 6 children.
- Participation in a range of competitive leagues and events in which we were highly successful: -

Boys Football:

Notley High football tournament – first place

Boys and Girls Level 1, 2 and 3 Cross Country:

Year 4 girls reached the level 3 Essex finals

Year 6 girls team in county final – two individual runners ran in the Essex the finals, with a top ten and top twenty result

Athletics - District Sports: sixth place

Sports Hall games – First place

Individual achievements:

- Taylor Gooding Braintree Young Sports Personality of the Year for Fell and Cross-Country Running
