We know that our CU Learners are always looking out for new ways in which they can collect stamps in their Passport to Learning and we have something exciting to share with you!

Our friends at Anglia Ruskin University in Chelmsford have organised a free family event to celebrate the Queen's 90<sup>th</sup> Birthday and many of the activities offered are CU Learning Destinations.

Here's a taste of what's on offer and the eligible learning time for each:

- **Circus Workshops** – walkabout acts and juggling shows – have a go at some circus skills (30 mins)
- **Royal Treasure Hunt** – complete the Royal treasure hunt around the library with a prize for all at the end of the hunt (30 mins)
- **Arts and Crafts** – make a crown, lolly stick soldier, colour your own corgi with glass sun-catchers and bracelet making too! (up to 1 hour)
- **Storytelling** – Go along and listen to a professional storyteller (30 mins)
- **Cup cake decorating** – decorate your own Royal cupcake (30 mins)
- **Pottery workshop** – texturing and patterning clay to make your own pottery keepsake (30 mins)

**Passports to Learning will be stamped, for all activities, at the Info Point**  
**You'll see our Learning Destination Logo clearly displayed**
